EPISODE 2:
THE SEARCH FOR LIFE ON MARS

DAVID BARON &
SARAH STEWART JOHNSON

1
00:00:04,390 --> 00:00:02,550
it was a specific moment in the 90s that

2
00:00:05,670 --> 00:00:04,400
really ramped things up and that was

3
00:00:07,909 --> 00:00:05,680
when there was this

4
00:00:10,390 --> 00:00:07,919
piece of mars this rock from mars that

5
00:00:12,629 --> 00:00:10,400
was picked up in antarctica it was a it

6
00:00:15,669 --> 00:00:12,639
came to earth as a meteorite

7
00:00:17,349 --> 00:00:15,679
oh such a huge moment you know there was

8
00:00:19,109 --> 00:00:17,359
bill clinton in the rose garden saying

9
00:00:22,630 --> 00:00:19,119
we may have found life on mars there's

10
00:00:25,109 --> 00:00:22,640
this rock from mars it was just this uh

11
00:00:27,189 --> 00:00:25,119
it was this media frenzy

12
00:00:29,910 --> 00:00:27,199
like there were just articles all over

13
00:00:32,150 --> 00:00:29,920

the world talking about this incredible

14

00:00:34,069 --> 00:00:32,160

potential discovery these lines of

15

00:00:37,430 --> 00:00:34,079

evidence that seem to point in this
