

ASTROBIOLOGY at NASA  
LIFE IN THE UNIVERSE

putting the effort in to  
keep trying to get there.

**#AskAstr**  **Bio**

1  
00:00:04,340 --> 00:00:02,300  
if you could go back in time and visit

2  
00:00:06,200 --> 00:00:04,350  
yourself at the very beginning of your

3  
00:00:09,400 --> 00:00:06,210  
career what advice would you give

4  
00:00:13,700 --> 00:00:09,410  
yourself it's okay if it's not easy

5  
00:00:15,860 --> 00:00:13,710  
often we look at at people in careers uh

6  
00:00:17,120 --> 00:00:15,870  
and and think that you know because of

7  
00:00:19,160 --> 00:00:17,130  
where they are that it must have been

8  
00:00:21,260 --> 00:00:19,170  
easy for them to get there it's not

9  
00:00:24,140 --> 00:00:21,270  
always easy and that's okay if something

10  
00:00:25,640 --> 00:00:24,150  
takes multiple times to get it it's you

11  
00:00:28,279 --> 00:00:25,650  
know can be really worth putting the

12  
00:00:29,480 --> 00:00:28,289  
effort in to keep trying to get there

13  
00:00:31,160 --> 00:00:29,490

um but just because something doesn't

14

00:00:33,860 --> 00:00:31,170

come easily the first time you try it

15

00:00:36,380 --> 00:00:33,870

doesn't mean you can't do it uh and and

16

00:00:37,639 --> 00:00:36,390

it doesn't mean that by persevering and
