1  
00:00:01,516 --> 00:00:18,546  
[ Music ]

2  
00:00:19,046 --> 00:00:26,956  
Here and now I'm in the fire,  
in above my head, ohhh!!

3  
00:00:27,106 --> 00:00:30,366  
Being held under the pressure,

4  
00:00:30,366 --> 00:00:36,876  
don't know what will  
be left, ohhh!!

5  
00:00:37,046 --> 00:00:45,176  
But it's here in the  
ashes, I'm finding treasure

6  
00:00:46,066 --> 00:00:54,346  
He's making diamonds, diamonds,  
making diamonds out of dust

7  
00:00:55,666 --> 00:00:58,736  
He is refining, and  
in his timing,

8  
00:00:59,166 --> 00:01:04,586  
He's making diamonds out of us
