00:00:00,506 --> 00:00:08,196
[Music]

2
00:00:11,396 --> 00:00:09,326
I can. . .

3
00:00:12,646 --> 00:00:13,496
I can be. . .

4
00:00:15,686 --> 00:00:16,936
Develop a new material.

5
00:00:16,936 --> 00:00:17,116
. .

6
00:00:17,116 --> 00:00:18,726
to make aircraft lighter.

7
00:00:18,726 --> 00:00:19,396
. .

8
00:00:19,396 --> 00:00:20,746
and more fuel efficient.

9
00:00:21,376 --> 00:00:22,126
Design a system.

10
00:00:22,186 --> 00:00:24,976
. . that will communicate
millions of miles away.

11
00:00:24,976 --> 00:00:26,456
. .

12
00:00:26,456 --> 00:00:27,666
in real time.

13

00:00:28,936 --> 00:00:29,976
Create a power system.

14

00:00:29,976 --> 00:00:30,406

. .

15

00:00:30,406 --> 00:00:32,726

that will allow humans
to travel.

16

00:00:33,116 --> 00:00:36,556

. . to far away planets.

17

00:00:38,616 --> 00:00:39,666

Solve Big Problems.

18

00:00:40,056 --> 00:00:41,006

. . Be part of something.

19

00:00:41,006 --> 00:00:41,936

. . Bigger than yourself.
