

1
00:00:02,056 --> 00:00:06,276
>> Our job here is to make sure
that all the money that is given

2
00:00:06,276 --> 00:00:09,136
to us by Congress is
spent appropriately.

3
00:00:09,536 --> 00:00:12,136
That our records, our
financial records are auditable.

4
00:00:12,746 --> 00:00:14,046
And that we're doing things

5
00:00:14,346 --> 00:00:16,586
in the most efficient
and effective way.

6
00:00:17,106 --> 00:00:19,756
NASA's technology is
seen in many products.

7
00:00:20,066 --> 00:00:23,296
For every dollar that is given
to NASA, you get a return

8
00:00:23,366 --> 00:00:25,856
on investment from
7 to 21 dollars.

9
00:00:26,136 --> 00:00:29,086
I have been blessed to work
with the most dedicated,

10
00:00:29,526 --> 00:00:32,076
brilliant people, I believe,
in the federal government.

11

00:00:32,076 --> 00:00:36,786

I don't think people come
to work every day thinking

12

00:00:36,856 --> 00:00:38,656

about how I'm going
to leave a legacy.

13

00:00:39,476 --> 00:00:43,296

Every day I showed up to do
the best job I possibly could.

14

00:00:43,886 --> 00:00:46,036

I've laughed when my
teammates laughed.

15

00:00:46,236 --> 00:00:48,556

And I've cried when my
teammates have cried.

16

00:00:48,686 --> 00:00:54,106

So I'd like to be remembered
that I made a difference.
