

1
00:00:02,066 --> 00:00:06,786
>> I love being able
to set an engaging

2
00:00:06,786 --> 00:00:10,286
and professional atmosphere
in our organization.

3
00:00:10,336 --> 00:00:15,446
For people who are internal, I
am the first face that they see

4
00:00:15,496 --> 00:00:16,876
when they come to our office.

5
00:00:16,926 --> 00:00:20,376
For external people, I'm the
first voice that they hear.

6
00:00:20,676 --> 00:00:23,396
And then for outreach
events, I get a chance

7
00:00:23,596 --> 00:00:27,306
to tell the NASA
story, and I love it.

8
00:00:27,306 --> 00:00:31,246
I would like to be
remembered as the person

9
00:00:31,736 --> 00:00:34,706
who made people relax--

10
00:00:35,076 --> 00:00:38,776
made people know that
everything is going

11
00:00:38,776 --> 00:00:41,806

to be okay even though we're
here and we're working.

12

00:00:41,996 --> 00:00:44,456

And work is hard sometimes.

13

00:00:44,546 --> 00:00:46,536

I'd like to be remembered
as that person

14

00:00:46,536 --> 00:00:49,666

that made them remember
that it's going to be okay.

15

00:00:49,696 --> 00:00:50,536

Just breathe.

16

00:00:51,616 --> 00:00:53,506

And everything is
going to work out okay.
