

JOHN GLENN

CELEBRATING A LEGEND

1
00:00:06,640 --> 00:00:12,480

Just looking at his Wikipedia entry right - it reads like something out of a superhero comic book.

2
00:00:12,480 --> 00:00:18,960

I mean he's a veteran of multiple wars, conducted the first supersonic cross continental flight, and then

3
00:00:18,960 --> 00:00:24,400

was with NASA, and was one of the first Americans in space and to orbit the earth. And he was only

4
00:00:24,400 --> 00:00:29,840

with the agency for about six years uh before he went on to - you know have this long senate career.

5
00:00:30,400 --> 00:00:36,560

Going to space when you're 77 and a sitting senator is remarkable. He had this lifetime

6
00:00:36,560 --> 00:00:44,400

commitment to public service that I truly found very inspiring. Every single bit of advance that's
