00:00:01,600 --> 00:00:06,960

What is your advice for the younger generation: Be curious and learn all you can and treasure all your first-ha

2

00:00:07,920 --> 00:00:16,080

That becomes invaluable as you go through life.

3

00:00:16,080 --> 00:00:22,000

My name is John Wang. Currently I am in code MG, the European Service Module Integration office

4

00:00:22,000 --> 00:00:29,040

doing some project management. Artemis 1 - we're gonna launch soon so that's exciting. It's

5

00:00:29,040 --> 00:00:35,200

supporting manned space flight and the future of human exploration. Where do you find Inspiration: everywhere and anywhere.

6

00:00:35,200 --> 00:00:41,680

That's the driving force behind what needs to be done really. I mean part of it is just you know a

7

00:00:41,680 --> 00:00:46,560

vision obviously right, but the other part about it is you see something and it needs to be taken

8

00:00:46,560 --> 00:00:51,680

care of or you see something that needs to be done right you just kind of go for it. So I'm

9

00:00:51,680 --> 00:01:00,160

originally from California, so the teams I do root for - San Francisco 49ers, Golden State Warriors

10

00:01:01,040 --> 00:01:06,720

and San Francisco Giants, just because I still consider San Francisco my hometown.

00:01:06,720 --> 00:01:12,640

Before NASA what was your dream job: I really didn't have one. I was i was too busy playing video games and
