

***NASA GLENN
RESEARCH CENTER***

**Stay tuned ...
we're just getting started**

1
00:00:00,000 --> 00:00:01,634
2022 Year in Review

2
00:00:01,634 --> 00:00:02,969
Ready for a Recap?

3
00:00:04,070 --> 00:00:05,138
NASA Glenn Research Center

4
00:00:05,138 --> 00:00:07,040
We tested space technology for the next era of exploration

5
00:00:07,140 --> 00:00:10,510
NASA's new moon rover

6
00:00:10,510 --> 00:00:13,113
VIPER

7
00:00:14,748 --> 00:00:20,320
Thruster for Gateway's Power and Propulsion Element

8
00:00:20,353 --> 00:00:26,059
Small Spacecraft Electric Propulsion

9
00:00:27,627 --> 00:00:32,198
Hosted testing for Blue Origin's New Glenn Launch Vehicle

10
00:00:35,535 --> 00:00:36,603
NASA Glenn Research Center

11
00:00:36,603 --> 00:00:39,773
We conducted aeronautics research

12
00:00:39,773 --> 00:00:44,677
Unveiled a new plane

13
00:00:44,677 --> 00:00:49,883

PC-12 aircraft

14
00:00:51,317 --> 00:00:54,854
and studied ways to reduce noise for future aircraft

15
00:00:54,854 --> 00:00:58,091
Moog SureFly acoustic test

16
00:01:02,395 --> 00:01:06,166
Learjet acoustic test

17
00:01:06,166 --> 00:01:07,167
NASA Glenn Research Center

18
00:01:07,167 --> 00:01:09,402
In the labs ...

19
00:01:13,640 --> 00:01:14,641
NASA Glenn Research Center

20
00:01:14,641 --> 00:01:16,843
In the community ...

21
00:01:24,951 --> 00:01:25,952
NASA Glenn Research Center

22
00:01:25,952 --> 00:01:28,154
Our workforce was resilient and dedicated

23
00:01:35,061 --> 00:01:37,530
We built a new facility

24
00:01:39,532 --> 00:01:43,970
The Research Support Building

25
00:01:44,537 --> 00:01:48,975
and remodeled a historic one

26

00:01:49,209 --> 00:01:51,077

We welcomed new leadership

27

00:01:51,077 --> 00:01:53,213

Dr. Jimmy Kenyon, Center Director

28

00:01:53,279 --> 00:01:54,280

NASA Glenn Research Center

29

00:01:54,280 --> 00:01:56,483

And celebrated our NASA family

30

00:02:03,723 --> 00:02:04,357

NASA Glenn Research Center

31

00:02:04,357 --> 00:02:06,359

Stay tuned ... we're just getting started

32

00:02:06,359 --> 00:02:09,195

5 ... 4 ... Stage Engine start ... 3 ... 2 ... 1 ...

33

00:02:09,229 --> 00:02:13,867

Boosters and ignition and lift off of Artemis 1

34

00:02:18,438 --> 00:02:20,240

Happy

35

00:02:20,240 --> 00:02:21,474

Holidays

36

00:02:21,474 --> 00:02:22,642

from

37

00:02:29,849 --> 00:02:27,780

NASA Glenn Research Center
