

1
00:00:14,230 --> 00:00:11,430
i became interested in these clouds when

2
00:00:16,390 --> 00:00:14,240
i saw them for the first time

3
00:00:35,670 --> 00:00:16,400
they're very beautiful iridescent they

4
00:00:40,069 --> 00:00:38,310
aim is the first satellite mission

5
00:00:42,069 --> 00:00:40,079
dedicated to the study of noctilucent

6
00:00:43,430 --> 00:00:42,079
clouds

7
00:00:44,869 --> 00:00:43,440
they're changing and we don't know why
