- cold Twilight casting off an

3
00:00:27,320 --> 00:00:27,009
iridescent for only the last century we

4
00:00:34,070 --> 00:00:27,330
don't

5
00:00:37,549 --> 00:00:34,080
how you have come to me dr. Santa it

6
00:00:41,910 --> 00:00:37,559
goes the shining ball the shop we didn't

7
00:00:45,790 --> 00:00:41,920
think it'd be a latitude so long

8
00:00:49,970 --> 00:00:48,660
Majesty results are high

[Music]

10
00:01:01,020 --> 00:00:59,100
can you be your cloudiness day for the

11
00:01:15,990 --> 00:01:01,030
21st century

12
00:01:18,170 --> 00:01:16,000
[Music]

13
00:01:22,910 --> 00:01:18,180

all the page

14

00:01:24,890 --> 00:01:22,920

15

00:01:28,700 --> 00:01:24,900

temperature so cold

16

00:01:30,070 --> 00:01:28,710

sizing up the cosmic dust oh oh how much

17

00:01:31,450 --> 00:01:30,080

water vapor

18

00:01:35,640 --> 00:01:31,460

[Music]

19

00:01:45,640 --> 00:01:40,300

nothing that goes to here and doesn't

20

00:01:46,630 --> 00:01:45,650

21

00:01:50,849 --> 00:01:46,640

22

00:01:56,250 --> 00:01:52,930

23

00:01:56,260 --> 00:01:59,620
