

1  
00:00:12,070 --> 00:00:06,140  
right down the middle of the road 42

2  
00:00:15,169 --> 00:00:12,080  
degrees I can't believe it I'm angry

3  
00:00:17,210 --> 00:00:15,179  
we touched its surface all too briefly a

4  
00:00:22,250 --> 00:00:17,220  
generation ago with brilliant courageous

5  
00:00:22,260 --> 00:00:27,730  
but now the time is to go back for good

6  
00:00:31,779 --> 00:00:29,950  
to use the moon as our window in this

7  
00:00:33,490 --> 00:00:31,789  
big universe to understand our own

8  
00:00:38,240 --> 00:00:33,500  
origins and where we're eventually going

9  
00:00:43,800 --> 00:00:41,070  
the Lunar Reconnaissance Orbiter a robot

10  
00:00:46,229 --> 00:00:43,810  
Explorer will take our minds eyes back

11  
00:00:48,720 --> 00:00:46,239  
to the lone paving the way by making new

12  
00:00:50,520 --> 00:00:48,730  
maps of the moon to get human beings

13  
00:00:52,500 --> 00:00:50,530

women and men back so that we can

14

00:00:54,540 --> 00:00:52,510

basically plant our footsteps on the
