

1  
00:00:13,430 --> 00:00:11,990  
the paradigm we built about the moon

2  
00:00:16,230 --> 00:00:13,440  
isn't necessarily correct from the

3  
00:00:20,790 --> 00:00:16,240  
holidays there's a lot more to learn a

4  
00:00:25,349 --> 00:00:22,950  
i think at some level most of us hope

5  
00:00:27,109 --> 00:00:25,359  
there will be a time in the future where

6  
00:00:29,349 --> 00:00:27,119  
there will be some colonization at the

7  
00:00:30,710 --> 00:00:29,359  
moment but at present time we don't

8  
00:00:32,870 --> 00:00:30,720  
really know

9  
00:00:34,709 --> 00:00:32,880  
whether the resources are there to to
