

1
00:00:05,190 --> 00:00:04,390
okay

2
00:00:06,950 --> 00:00:05,200
um

3
00:00:10,390 --> 00:00:06,960
at the foot of the ladder

4
00:00:11,430 --> 00:00:10,400
the lamb birthdays are only uh

5
00:00:14,470 --> 00:00:11,440
uh

6
00:00:17,269 --> 00:00:14,480
depressed in the surface about

7
00:00:18,950 --> 00:00:17,279
one or two inches although the surface

8
00:00:20,470 --> 00:00:18,960
appears to be

9
00:00:23,269 --> 00:00:20,480
uh

10
00:00:26,230 --> 00:00:23,279
very very fine grained as you get close

11
00:00:27,589 --> 00:00:26,240
to it it's almost like a powder

12
00:00:43,030 --> 00:00:27,599
ground mask

13
00:00:50,470 --> 00:00:46,069

leave that one foot up there and

14

00:00:50,480 --> 00:00:53,510

there you go

15

00:00:53,520 --> 00:01:01,430

up you know i think i'll do the same

16

00:01:05,990 --> 00:01:04,229

for those who haven't read the plaque uh

17

00:01:08,789 --> 00:01:06,000

we'll read the plaque that's on the

18

00:01:09,990 --> 00:01:08,799

front landing gear of this lamb

19

00:01:14,149 --> 00:01:10,000

there's

20

00:01:18,149 --> 00:01:14,159

two hemispheres one showing

21

00:01:23,190 --> 00:01:20,310

underneath it says

22

00:01:25,109 --> 00:01:23,200

airmen from the planet earth first step

23

00:01:27,910 --> 00:01:25,119

foot upon the moon

24

00:01:29,350 --> 00:01:27,920

july 1969

25

00:01:32,469 --> 00:01:29,360

50.

26

00:01:35,590 --> 00:01:33,910

i guess you're about the only person

27

00:01:48,469 --> 00:01:35,600

around it doesn't have tv coverage of

28

00:01:48,479 --> 00:01:56,389

oh it's beautiful mike really is

29

00:01:59,910 --> 00:01:58,230

yes indeed they've got the flag up now
