

1
00:00:02,520 --> 00:00:06,500
music

2
00:00:06,520 --> 00:00:10,540
Days here start like they do all over America.

3
00:00:10,560 --> 00:00:14,580
People have ideas.

4
00:00:14,600 --> 00:00:18,610
The future demands we understand how things work.

5
00:00:18,630 --> 00:00:22,640
At Goddard, we design. We build.

6
00:00:22,660 --> 00:00:26,670
We observe and explore.

7
00:00:26,690 --> 00:00:30,690
To study the earth, we leave the earth.

8
00:00:30,710 --> 00:00:34,710
We reach out to our neighbor. We embrace

9
00:00:34,730 --> 00:00:38,720
a bright idea. We peer fearlessly into the deep.

10
00:00:38,740 --> 00:00:42,740
The Goddard Space Flight Center

11
00:00:42,760 --> 00:00:46,780
NASA. We connect the future to the present
