[music]

2
00:00:12,140 --> 00:00:16,190

to see if it might be anything volcanic.

3
00:00:16,210 --> 00:00:20,240

Borman or Anders (uncertain): Oh my God! Look at that picture over there! Here's the Earth coming up. Wow,

4
00:00:20,260 --> 00:00:24,270

is that pretty! Anders or Borman (uncertain): Hey, don't take that, it's not

5
00:00:24,290 --> 00:00:28,300

scheduled. [chuckle] Borman: [laughter] You got a color film, Jim?

6
00:00:28,320 --> 00:00:32,310

Anders: Hand me that roll of color quick, will you... Lovell: Oh man, that's great! Anders: ...hurry. Quick.

7
00:00:32,330 --> 00:00:36,320

Borman: Gee. Lovell: It's down here? Anders: Just grab me a color.

8
00:00:36,340 --> 00:00:40,370

Lovell: Well, I got it ri--Oh, that's a beautiful shot.

9
00:00:40,390 --> 00:00:44,460

[music fades, beeping]

10
00:00:44,480 --> 00:00:48,540

[beeping]
