

Kesha Patel

1
00:00:18,150 --> 00:00:16,390
summer has officially started at nasa's

2
00:00:20,550 --> 00:00:18,160
goddard space flight center this year

3
00:00:22,150 --> 00:00:20,560
with the orientation of nearly 300

4
00:00:24,070 --> 00:00:22,160
college interns

5
00:00:25,910 --> 00:00:24,080
it's my first internship but i'm very

6
00:00:26,950 --> 00:00:25,920
excited for it to be at nasa of all

7
00:00:28,710 --> 00:00:26,960
places

8
00:00:30,630 --> 00:00:28,720
you always dream as a little kid to be

9
00:00:32,950 --> 00:00:30,640
at nasa whether it's an astronaut or a

10
00:00:34,630 --> 00:00:32,960
research position it's really cool i'm

11
00:00:35,990 --> 00:00:34,640
really excited i was kind of nervous

12
00:00:37,910 --> 00:00:36,000
this morning i couldn't eat breakfast or

13
00:00:39,990 --> 00:00:37,920

anything before taking off with their

14

00:00:41,830 --> 00:00:40,000

mentors the interns shared some of their

15

00:00:44,470 --> 00:00:41,840

hopes for the summer

16

00:00:46,869 --> 00:00:44,480

i'm working on the data

17

00:00:49,029 --> 00:00:46,879

data analysis software for the

18

00:00:51,270 --> 00:00:49,039

upcoming mms mission

19

00:00:53,990 --> 00:00:51,280

i'm doing like interpretations for

20

00:00:55,990 --> 00:00:54,000

spanish-speaking audiences for the james

21

00:00:58,709 --> 00:00:56,000

webb space telescope i'll be working in

22

00:01:00,869 --> 00:00:58,719

the optics lab testing out telescopic

23

00:01:02,389 --> 00:01:00,879

lenses i'm just excited to get to write

24

00:01:03,750 --> 00:01:02,399

about all the different projects here

25

00:01:05,670 --> 00:01:03,760

and get to learn about all the things

26
00:01:07,910 --> 00:01:05,680
that are going on here i'm excited about

27
00:01:09,190 --> 00:01:07,920
working on thermal coatings on wires

28
00:01:11,190 --> 00:01:09,200
this summer

29
00:01:12,950 --> 00:01:11,200
before taking off with their mentors the

30
00:01:13,990 --> 00:01:12,960
interns shared some of their hopes for

31
00:01:15,510 --> 00:01:14,000
the summer

32
00:01:17,030 --> 00:01:15,520
i just hope i can

33
00:01:18,469 --> 00:01:17,040
have a good time

34
00:01:19,749 --> 00:01:18,479
learn a lot get

35
00:01:21,429 --> 00:01:19,759
good experience of being in the

36
00:01:22,870 --> 00:01:21,439
workforce through my internship this

37
00:01:24,550 --> 00:01:22,880
summer hopefully i'll gain some computer

38
00:01:26,230 --> 00:01:24,560

programming which will be really useful

39

00:01:28,630 --> 00:01:26,240

for my graduate studies in the fall a

40

00:01:30,630 --> 00:01:28,640

lot of experience a lot of connections

41

00:01:31,830 --> 00:01:30,640

and just meeting new people and learning

42

00:01:34,390 --> 00:01:31,840

new things

43

00:01:36,630 --> 00:01:34,400

just a really awesome experience i hope

44

00:01:37,830 --> 00:01:36,640

that i learn a lot and
