

WATER FALLS

Experience the movie that will change the way you think about rain.

gpm.nasa.gov/waterfalls

1
00:00:25,270 --> 00:00:29,510
Well the rain is about to come down...

2
00:00:29,530 --> 00:00:33,880
...and dry up all these tears.

3
00:00:33,900 --> 00:00:35,910
Yeah, I can't still make it downtown...

4
00:00:35,930 --> 00:00:41,380
...even after all these years.

5
00:00:41,400 --> 00:00:44,980
Let it pour on me, darling...

6
00:00:45,000 --> 00:00:48,380
let it roll like the the thunder cries.

7
00:00:48,400 --> 00:00:52,250
Let it pour on me, darling...

8
00:00:52,270 --> 00:00:56,050
Let it roll like the thunder cries.
