

# RIMA PRINZ AND VERA

1  
00:00:04,660 --> 00:00:02,649  
the universe camera i need to see

2  
00:00:07,060 --> 00:00:04,670  
gives us a glimpse of the

3  
00:00:09,009 --> 00:00:07,070  
moon's volcanic past here we see a press a

4  
00:00:10,869 --> 00:00:09,019  
long channel from where lava flowed

5  
00:00:13,119 --> 00:00:10,879  
from the volcanic depression seen

6  
00:00:15,249 --> 00:00:13,129  
within pathways eruptions of

7  
00:00:17,560 --> 00:00:15,259  
fiery lava fountains forming a

8  
00:00:19,870 --> 00:00:17,570  
300-meter lake meters deep and carving a

9  
00:00:21,910 --> 00:00:19,880  
lava channel 100 times deeper and

10  
00:00:24,250 --> 00:00:21,920  
10 times longer than we find on

11  
00:00:25,960 --> 00:00:24,260  
Earth this region shows us that

12  
00:00:27,580 --> 00:00:25,970  
sometimes eruptions on the moon were
