

1

00:00:00,010 --> 00:00:04,000

NASA Goddard is one of the best places to work on space and

2

00:00:04,020 --> 00:00:08,010

Earth science in the entire world. For years

3

00:00:08,030 --> 00:00:12,030

Goddard has placed great importance on creating an equitable, diverse and

4

00:00:12,050 --> 00:00:16,220

and inclusive work environment for each and every individual.

5

00:00:16,240 --> 00:00:20,440

Women are such a critical component of our successes here at Goddard, both in

6

00:00:20,460 --> 00:00:24,450

building spacecraft and instruments and technology and in creating

7

00:00:24,470 --> 00:00:28,480

creating new missions and producing ground-breaking science results from the

8

00:00:28,500 --> 00:00:32,550

data we collect and freely distribute to the world.

9

00:00:32,570 --> 00:00:36,550

But there is always room for improvement. About one-fourth of both

10

00:00:36,570 --> 00:00:40,550

scientists and engineers here at Goddard are women.

11

00:00:40,570 --> 00:00:44,550

We cannot innovate, inspire, and discover without the talents of all

12

00:00:44,570 --> 00:00:48,690

Americans and all contributors from around the world.

13

00:00:48,710 --> 00:00:52,710

Today, the women of the Goddard Advisory Committee and the

14

00:00:52,730 --> 00:00:56,910

Equal Opportunity Programs Office are launching a new campaign.

15

00:00:56,930 --> 00:01:01,090

We're calling it Women of Goddard: Awareness to Action.

16

00:01:01,110 --> 00:01:05,130

The initiative has three major goals:

17

00:01:05,150 --> 00:01:09,150

One: Provide awareness and visibility to Goddard's equity, diversity

18

00:01:09,170 --> 00:01:13,200

and inclusion goals. Two: Promote equity and celebrate

19

00:01:13,220 --> 00:01:17,210

the contributions and achievements of the women of Goddard.

20

00:01:17,230 --> 00:01:21,220

Three, and most importantly: We are calling on all Goddard

21

00:01:21,240 --> 00:01:25,250

employees to be agents of change and make a personal commitment

22

00:01:25,270 --> 00:01:29,320

to equity, diversity and inclusion.

23

00:01:29,340 --> 00:01:33,370

We will conduct road shows, host brown bag luncheons, and launch a campaign

24

00:01:33,390 --> 00:01:37,390

in support of center-wide gender equality. Together, we can

25

00:01:37,410 --> 00:01:41,580

close the gender gap and insure Goddard is a workplace in which

26

00:01:41,600 --> 00:01:45,610

all people are treated equitably, creativity is encouraged

27

00:01:45,630 --> 00:01:49,620

ideas are valued, and all individuals are able to work

28

00:01:49,640 --> 00:01:53,630

to their full potential. Please join us, as we commit
