

THE LITTLE SATELLITE THAT COULD

1
00:00:01,600 --> 00:00:02,520
[rocket engine sound]

2
00:00:02,540 --> 00:00:08,100
The Little Satellite That Could

3
00:00:13,550 --> 00:00:19,240
Intended to last only 1 year, EO-1 ended up working for 17

4
00:00:19,260 --> 00:00:24,270
Over that time, it gathered tons of useful data and stunning images

5
00:00:56,610 --> 00:01:00,930
Running on fumes, EO-1 was switched off on March 30, 2017 [switch sound]
