[Music]

2
00:00:03,000 --> 00:00:07,560

It's been 30 years since the UN agreed to the landmark Montreal Protocol,

3
00:00:09,020 --> 00:00:13,840

Limiting the release of ozone-depleting substances into the atmosphere.

4
00:00:15,700 --> 00:00:20,080

Since then, the ozone hole over Antarctica has begun to show early signs of healing.

5
00:00:21,920 --> 00:00:26,140

NASA and NOAA scientists work together to monitor the ozone layer

6
00:00:27,080 --> 00:00:32,040

From the ground, balloons, aircraft and space.
