

**Send Your Name  
to the Sun!**

A yellow ticket-shaped graphic with a red border decorated with white stars. On the left side of the ticket is a red sunburst with a small black probe flying towards it. The text on the ticket is as follows:

**HOT TICKET**  
★ **Parker Solar Probe** ★  
*A Mission to Touch the Sun • Launching Summer 2018*  
<http://go.nasa.gov/HotTicket>  
**DEADLINE: APRIL 27**

Below the ticket is the NASA logo.

**William Shatner**

1  
00:00:00,160 --> 00:00:03,260  
Want to join NASA on a historic

2  
00:00:03,260 --> 00:00:06,440  
mission of discovery?

3  
00:00:06,440 --> 00:00:09,540  
The first ever spacecraft to the Sun

4  
00:00:09,540 --> 00:00:12,730  
NASA's Parker Solar Probe will

5  
00:00:12,730 --> 00:00:15,910  
launch this year on a course to orbit

6  
00:00:15,910 --> 00:00:19,060  
through the heat of our star's corona.

7  
00:00:19,060 --> 00:00:22,230  
Where temperatures are greater than 1 million degrees.

8  
00:00:22,230 --> 00:00:25,300  
The spacecraft will also carry

9  
00:00:25,300 --> 00:00:28,500  
my name to the sun, and your name, and

10  
00:00:28,500 --> 00:00:31,670  
the names of everyone who wants to join

11  
00:00:31,670 --> 00:00:34,790  
this voyage of extreme exploration.

12  
00:00:34,790 --> 00:00:38,000  
Parker Solar Probe is going to help us

13  
00:00:38,000 --> 00:00:41,210

learn about how the sun works and

14

00:00:41,210 --> 00:00:44,440

how it effects life and technology
