

1

00:00:00,190 --> 00:00:04,320

James Webb Space Telescope is the most ambitious and complex

2

00:00:04,340 --> 00:00:08,530

space science observatory ever. Pushes the boundaries of

3

00:00:08,550 --> 00:00:12,640

technical innovation testing

4

00:00:12,660 --> 00:00:16,830

and retesting. Building It

5

00:00:16,850 --> 00:00:20,940

is not easy or fast.

6

00:00:20,960 --> 00:00:25,100

The James Webb Space Telescope is worth the wait.
