00:00:07,040 --> 00:00:10,320

Land cover and land use are the foundations
for critical science and social issues such as:

4
00:00:10,320 --> 00:00:12,000

Climate Change

5
00:00:12,000 --> 00:00:13,880

Food Production

6
00:00:14,040 --> 00:00:15,480

Human Health

7
00:00:16,440 --> 00:00:21,240

With the data, we can better analyze natural hazards like floods, fires, and landslides

8
00:00:21,560 --> 00:00:24,880

Photograph the land.

9
00:00:26,900 --> 00:00:29,340

Classify land cover.

10
00:00:29,800 --> 00:00:32,860

Compare your observations to satellite data.
