STEM Girls Night In:
Sirra and Jane

2
00:00:02,900 --> 00:00:08,240
SIRRA: I still don't know what I wouldn't give,
but now I see STEM as an option for me,

3
00:00:08,240 --> 00:00:14,400
because I see that I can do it, I can
be successful at it, I can have fun with it,

4
00:00:14,400 --> 00:00:18,020
and that there are plenty of
women who look like me and who come from

5
00:00:18,020 --> 00:00:22,680
places in situations like I came from who
are doing it and who are successful.

6
00:00:22,680 --> 00:00:26,920
And for that I am incredibly grateful and I want to
say thank you to everyone here at Goddard

7
00:00:26,960 --> 00:00:29,060
for having us.

8
00:00:29,060 --> 00:00:33,980
JANE: Coming here and learning about STEM, which was a complete mystery to me before

9
00:00:33,980 --> 00:00:38,010
has been such an
eye-opening experience, and it's honestly

10
00:00:38,010 --> 00:00:42,870
something I want to consider going into
and learning more about because it's so

11
00:00:42,870 --> 00:00:47,070

fascinating. It's so hands-on, which is what I love to do, and that's how I

12

00:00:47,070 --> 00:00:53,210

strive, so it's just such an amazing opportunity, and I want to thank Ms. Webster for

13

00:00:53,210 --> 00:00:59,220

picking us to come and everyone here for making it possible for us to come.
