

1  
00:00:01,080 --> 00:00:05,080  
NASA's P3 research plane,

2  
00:00:05,080 --> 00:00:09,080  
a LearJet and the R/V Sally Ride

3  
00:00:09,080 --> 00:00:13,080  
are joining forces in the western Pacific Ocean.

4  
00:00:13,080 --> 00:00:17,080  
With a fleet of scientific instruments, studying how

5  
00:00:17,080 --> 00:00:21,080  
tiny particles in the atmosphere affect cloud formation and precipitation

6  
00:00:21,080 --> 00:00:25,080  
for improved weather and climate forecasting.

7  
00:00:25,080 --> 00:00:29,080  
Bringing together NASA, the Naval Research Laboratory, the Office of Naval Research's PISTON program

8  
00:00:29,080 --> 00:00:33,080  
and the Manila Observatory with support from the Philippines government.

9  
00:00:33,080 --> 00:00:37,080  
It's the Cloud, Aerosol and Monsoon

10  
00:00:37,080 --> 00:00:41,080  
Processes Philippines Experiment — CAMP2Ex.
