

1
00:00:00,000 --> 00:00:02,902
(music throughout)

2
00:00:27,260 --> 00:00:31,765
And this is what I want to say to people

3
00:00:31,765 --> 00:00:38,271
to beings, to consciousnesses, who are so far away I can't even imagine.

4
00:00:38,271 --> 00:00:43,009
To represent our culture accurately

5
00:00:43,009 --> 00:00:48,581
we should include hopelessness, risk-taking, the role of fortune, good or bad,

6
00:00:48,581 --> 00:00:53,219
To understand each desire has an edge

7
00:00:53,219 --> 00:00:55,989
To know that we are responsible for the lives we change

8
00:00:55,989 --> 00:01:00,693
no faith comes without cause, no one believes without dying

9
00:01:00,693 --> 00:01:08,201
There are no curses, only mirrors held up to the souls of gods and mortals.

10
00:01:08,201 --> 00:01:13,440
Remember you are all people, and all people are you.

11
00:01:13,440 --> 00:01:18,044
Remember you are this universe, this universe is you.

12
00:01:18,044 --> 00:01:21,014
I would just like to say that

13
00:01:21,014 --> 00:01:26,920

this wonderful emissary to the Trojan Asteroids is itself a message

14

00:01:26,920 --> 00:01:38,431

Lucy speaks for all that is best about human ingenuity, curiosity, and endeavor.

15

00:01:38,431 --> 00:01:44,003

Do you still have birds that wake you up in the morning with their singing?

16

00:01:44,003 --> 00:01:50,110

and lovers who gaze at the stars, trying to read in them the fate of their love

17

00:01:50,110 --> 00:01:54,747

If you do, we'll recognize one another.

18

00:01:54,747 --> 00:02:01,554

And receive those words inscribed on a plaque from all of us, for all of us

19

00:02:01,554 --> 00:02:08,795

Filled with those aspirations and that inspiration that we need so much right now.
