

1
00:00:01,568 --> 00:00:03,203

CapCom James Irwin:
"Orion, you're go at 4."

2
00:00:03,203 --> 00:00:05,438

Lunar Module Pilot Charlie Duke:
"We're at 50,000."

3
00:00:05,438 --> 00:00:09,943

Commander John Young:
"Look at that, altitude and velocity lights are out at 50K."

4
00:00:09,943 --> 00:00:13,313

Duke:
"Isn't that amazing? Copy that, Houston?"

5
00:00:13,313 --> 00:00:15,048

Irwin:
"We copy."

6
00:00:15,048 --> 00:00:22,889

[music]

7
00:00:22,889 --> 00:00:24,557

Duke:
"Coming up on 8 minutes."

8
00:00:24,557 --> 00:00:25,525

Irwin:
"Orion, you're go at 8."

9
00:00:25,525 --> 00:00:27,327

Young:
"I can see the landing site from here, Charlie."

10
00:00:27,327 --> 00:00:32,232

Duke:
"Amazing. Go at 8. John's got a visual."

11

00:00:32,232 --> 00:00:33,033

Irwin:

"We copy."

12

00:00:33,033 --> 00:00:37,871

Duke:

"130. We're right on, John. Right . . . Right back on profile."

13

00:00:58,758 --> 00:01:01,961

Young:

"Man, does this thing have steep walls."

14

00:01:01,961 --> 00:01:04,464

Duke:

"They said 60 degrees."

15

00:01:04,464 --> 00:01:06,633

Young:

"Now, I tell ya, I can't see to the bottom of it ... "

16

00:01:06,633 --> 00:01:08,802

Young:

"and I'm as close to the edge as I'm gonna get."

17

00:01:08,802 --> 00:01:10,103

Duke:

(laughs)
