

1  
00:00:00,000 --> 00:00:04,000

[ Wide shot of galaxy pair NGC 4676 also known as "The Mice." ]

2  
00:00:04,000 --> 00:00:10,144

[ Shot zooms into long tail of one of the galaxies, moving slowly to the center of the interacting pair. ]

3  
00:00:10,144 --> 00:00:17,992

[ Camera rotates away while zooming out, once again showing both of the interacting galaxies zooming around
