

A YEAR IN CLIMATE

1
00:00:19,310 --> 00:00:16,490
our Earth system Observatory is the next

2
00:00:21,650 --> 00:00:19,320
generation of earth science explicitly

3
00:00:23,630 --> 00:00:21,660
designed to understand the Earth as a

4
00:00:26,029 --> 00:00:23,640
system of systems

5
00:00:27,830 --> 00:00:26,039
our Earth information center will allow

6
00:00:29,750 --> 00:00:27,840
us to leverage data and modeling

7
00:00:34,510 --> 00:00:29,760
capabilities in communities most

8
00:00:43,730 --> 00:00:37,430
understanding Earth gives us the means

9
00:00:58,369 --> 00:00:51,610
[Music]

10
00:00:58,379 --> 00:01:06,990
foreign

11
00:01:13,010 --> 00:01:10,670
[Music]

12
00:01:15,649 --> 00:01:13,020
join us as we improve life on Earth from

13
00:01:18,890 --> 00:01:15,659

space where we monitor study and observe

14

00:01:22,490 --> 00:01:18,900

our planet 24 hours a day seven days a

15

00:01:26,870 --> 00:01:22,500

week 365 days a year to learn more and
