

1
00:00:11,600 --> 00:00:07,690

just 40 meters 30 meters

2
00:00:14,810 --> 00:00:11,610

thank you 7 meters 20 meters 50 meters

3
00:00:28,730 --> 00:00:14,820

standing back for touchdown touchdown

4
00:00:34,560 --> 00:00:31,589

well today you had a chance to watch a

5
00:00:43,530 --> 00:00:34,570

team in action making something that is

6
00:00:45,299 --> 00:00:43,540

incredibly hard to do look easy for the

7
00:00:47,280 --> 00:00:45,309

entire Phoenix team I'd like to let you

8
00:00:48,810 --> 00:00:47,290

know that seven minutes of Terror is

9
00:00:52,410 --> 00:00:48,820

going to be followed by three months of

10
00:00:54,899 --> 00:00:52,420

joy it is my great pleasure and joy to

11
00:00:59,040 --> 00:00:54,909

be able to show you some pictures of the

12
00:01:00,689 --> 00:00:59,050

landscape around our Lander Phoenix had

13
00:01:02,069 --> 00:01:00,699

finished its prime mission and kind of

14

00:01:04,410 --> 00:01:02,079

achieved all the things we said we were

15

00:01:06,060 --> 00:01:04,420

going to do when we landed we got all

16

00:01:08,219 --> 00:01:06,070

the analysis from Tico we've confirmed

17

00:01:10,410 --> 00:01:08,229

water in the surface we've characterized

18

00:01:11,639 --> 00:01:10,420

the soil properties who delivered a

19

00:01:14,910 --> 00:01:11,649

number of different samples to the

20

00:01:16,590 --> 00:01:14,920

instruments taken lots of images we kind
