

**Emily Dickinson School  
Bozeman, Montana**

1  
00:00:08,600 --> 00:00:05,570  
we gave these two spacecraft names of a

2  
00:00:11,990 --> 00:00:08,610  
and B so we asked the youth of America

3  
00:00:14,150 --> 00:00:12,000  
to assist us in in getting slightly

4  
00:00:18,380 --> 00:00:14,160  
better names and we held a nationwide

5  
00:00:20,560 --> 00:00:18,390  
contest over 11,000 students wrote

6  
00:00:23,060 --> 00:00:20,570  
essays there was a very competitive

7  
00:00:26,030 --> 00:00:23,070  
competition Grail is the first

8  
00:00:28,040 --> 00:00:26,040  
spacecraft mission to carry instruments

9  
00:00:30,109 --> 00:00:28,050  
that are entirely dedicated to education

10  
00:00:33,770 --> 00:00:30,119  
cameras that will be operated by

11  
00:00:37,849 --> 00:00:33,780  
students and it's my pleasure to do

12  
00:00:40,490 --> 00:00:37,859  
fourth grade teacher Nina tomorrow class

13  
00:00:44,349 --> 00:00:40,500

at Emily Dickinson school submitted the

14

00:01:15,230 --> 00:00:44,359

winning entry congratulations we're so

15

00:01:17,420 --> 00:01:15,240

our names were chosen in mid-march

16

00:01:20,300 --> 00:01:17,430

they'll have the honor of being the

17

00:01:23,480 --> 00:01:20,310

first school to take photos of the moon

18

00:01:26,600 --> 00:01:23,490

with the moon Cam Cameron where I can't
