

1
00:00:00,000 --> 00:00:09,000
(silence)

2
00:00:10,280 --> 00:00:11,580
Yeah! (clapping)

3
00:00:11,720 --> 00:00:15,920
Female Controller: All stations on Juno Coord, we have the tone for burn cutoff

4
00:00:15,920 --> 00:00:17,760
on Delta V, roger Juno, welcome to Jupiter.

5
00:00:17,760 --> 00:00:23,560
(clapping)

6
00:00:24,040 --> 00:00:26,040
Man, thank you buddy!

7
00:00:27,200 --> 00:00:29,200
(cheering)

8
00:00:30,240 --> 00:00:32,760
We're in! We're in!

9
00:00:33,160 --> 00:00:35,160
We did it!

10
00:00:39,220 --> 00:00:43,220
Wow! (laughter)

11
00:00:46,290 --> 00:00:48,110
(cheers)

12
00:00:57,280 --> 00:00:59,420
Congratulations.

13
00:01:03,600 --> 00:01:05,760

Male controller: Systems, this
is prop.

14

00:01:06,080 --> 00:01:07,300

Female controller: System prop

15

00:01:07,540 --> 00:01:14,360

Male controller: Based on the (unintelligible),
the burn time was 2102 seconds, only differing

16

00:01:14,600 --> 00:01:18,390

one second off of the pre-burn predictions.

17

00:01:18,390 --> 00:01:20,990

Female controller: copy that
