

1
00:00:05,380 --> 00:00:09,080

Tiffany attended medical school, became a doctor

2
00:00:09,080 --> 00:00:11,780

and received a master's in traditional medicine.

3
00:00:12,890 --> 00:00:17,830

Her own practice became personal when she donated her kidney to save her sister's life.

4
00:00:19,320 --> 00:00:25,440

While recovering from surgery, Tiffany enrolled in online coding classes and intensive bootcamps,

5
00:00:25,929 --> 00:00:29,829

this resulted in a new passion for computer science.

6
00:00:31,029 --> 00:00:34,709

Tiffany now works as a software engineer at JPL,

7
00:00:34,980 --> 00:00:37,100

where everyday, she gets to

8
00:00:37,460 --> 00:00:44,820

"Dare Mighty Things"

9
00:00:44,940 --> 00:00:45,960

[Mission Control voice] This is Houston.
