00:00:01,568 --> 00:00:03,870  
[TEXT] PIT CREW FOR MARS  
Mars 2020 Gets Some Wheels

3  
00:00:03,903 --> 00:00:07,840  
On June 13, engineers at NASA's  
Jet Propulsion Laboratory

4  
00:00:07,873 --> 00:00:11,511  
installed the suspension system  
and a set of test wheels

5  
00:00:11,544 --> 00:00:13,946  
on the Mars 2020 rover.

6  
00:00:13,979 --> 00:00:17,283  
The wheels will be replaced with  
flight models after the rover

7  
00:00:17,316 --> 00:00:21,421  
is shipped to Kennedy  
Space Center in Florida.

8  
00:00:26,992 --> 00:00:30,063  
The rover is on schedule  
to launch in summer 2020
