00:00:38,780 --> 00:00:11,980

[Music]

2
00:00:47,329 --> 00:00:38,790

oh wow let me take this in boy howdy

3
00:00:49,280 --> 00:00:47,339

looking good I don't know if y'all were

4
00:00:53,569 --> 00:00:49,290

aware but it is it's full circle

5
00:00:56,270 --> 00:00:53,579

Thursday yep and I have been entrusted

6
00:00:59,780 --> 00:00:56,280

with gathering support for a very cool

7
00:01:02,509 --> 00:00:59,790

and cosmic cause I'd like to I'd like to

8
00:01:06,200 --> 00:01:02,519

run it by his is that all right okay

9
00:01:12,289 --> 00:01:06,210

good so I love a backstory an origin

10
00:01:14,060 --> 00:01:12,299

story here's this one in 1964 two epic

11
00:01:20,210 --> 00:01:14,070

launches occurred the first Rolling

12
00:01:25,010 --> 00:01:20,220

Stones album god I love this windswept

13
00:01:27,710 --> 00:01:25,020

look and Mariner 4 which was the first

14

00:01:32,210 --> 00:01:27,720

Mars flyby satellite but here's the

15

00:01:34,789 --> 00:01:32,220

synchronistic part recently NASA's first

16

00:01:36,760 --> 00:01:34,799

interplanetary West Coast launch to Mars

17

00:01:43,969 --> 00:01:36,770

was a resounding success

18

00:01:46,359 --> 00:01:43,979

kind of like the nofilter tour but while

19

00:01:51,080 --> 00:01:46,369

landing on the red planet's surface it

20

00:01:53,270 --> 00:01:51,090

displaced a rock that rolled a fair

21

00:01:58,730 --> 00:01:53,280

distance in view of its onboard cameras

22

00:02:01,370 --> 00:01:58,740

and some scientists at NASA's Jet

23

00:02:05,629 --> 00:02:01,380

Propulsion Laboratory in a fit of fandom

24

00:02:10,600 --> 00:02:05,639

and clever Association they put forth

25

00:02:15,670 --> 00:02:10,610

why don't we name it Rolling Stones rock

26

00:02:17,680 --> 00:02:15,680

so Charlie Ronny Keith and Mick they

27

00:02:20,020 --> 00:02:17,690

were no way opposed to the notion but in

28

00:02:25,330 --> 00:02:20,030

typical gala Terry and fashion suggested

29

00:02:26,230 --> 00:02:25,340

I assist in procuring 60,000 votes to

30

00:02:28,750 --> 00:02:26,240

make it official

31

00:02:30,730 --> 00:02:28,760

so that's my mission all those in favor

32

00:02:35,860 --> 00:02:30,740

of officially naming it

33

00:02:37,510 --> 00:02:35,870

Rolling Stones rock say aye good I

34

00:02:39,400 --> 00:02:37,520

second the motion

35

00:02:41,230 --> 00:02:39,410

can we move to close the vote with an

36

00:02:49,470 --> 00:02:41,240

exuberant cheer on three I think it

37

00:02:54,250 --> 00:02:52,090

alright this is this was rad thank you

38

00:02:59,490 --> 00:02:54,260

for letting me be part of history it's

39

00:03:07,740 --> 00:02:59,500

gonna be a great show as usual but first
