

**GALAXY OF  
HORRORS!**

1  
00:00:10,850 --> 00:00:08,179  
the night sky full of stars for eons

2  
00:00:13,549 --> 00:00:10,860  
human beings have gazed up at its

3  
00:00:16,250 --> 00:00:13,559  
tranquil beauty taking solace in the

4  
00:00:19,880 --> 00:00:16,260  
peaceful stillness of this vast and

5  
00:00:23,420 --> 00:00:19,890  
eternal cosmic cornucopia and yet all

6  
00:00:26,050 --> 00:00:23,430  
the wild lurking beyond our solar system

7  
00:00:28,880 --> 00:00:26,060  
among the billions of stars and the

8  
00:00:32,089 --> 00:00:28,890  
exoplanets that orbit them is another

9  
00:00:35,440 --> 00:00:32,099  
sort of Milky Way altogether a far more

10  
00:00:37,760 --> 00:00:35,450  
sinister space a place only

11  
00:00:41,500 --> 00:00:37,770  
sophisticated space telescopes and

12  
00:00:58,400 --> 00:00:41,510  
imaging processes can reveal a place of

13  
00:01:00,979 --> 00:00:58,410

terrors with winds of up to 5,400 miles

14

00:01:13,969 --> 00:01:00,989

per hour and torrential rings of glass

15

00:01:18,609 --> 00:01:13,979

blowing sideways making this an

16

00:01:21,740 --> 00:01:18,619

unearthly deathtrap with their wonderful

17

00:01:23,990 --> 00:01:21,750

discover the sandy words that exist in

18

00:01:26,870 --> 00:01:24,000

this most inhospitable corner of the

19

00:01:29,539 --> 00:01:26,880

galaxy the pentaghost planet one of

20

00:01:32,060 --> 00:01:29,549

three dead planets shambling through the

21

00:01:35,740 --> 00:01:32,070

twisted magnetic fields of their corpse

22

00:01:37,270 --> 00:01:35,750

star Lynch which is itself the collapsed

23

00:01:40,969 --> 00:01:37,280

[Music]

24

00:01:43,880 --> 00:01:40,979

but despite its demise this undead star

25

00:01:46,280 --> 00:01:43,890

spins twin beams of radiation that could

26

00:01:48,950 --> 00:01:46,290

incinerate a spaceship foolish enough to

27

00:01:51,319 --> 00:01:48,960

venture too close even if you could make

28

00:01:53,380 --> 00:01:51,329

it to the surface your nightmares would

29

00:01:55,270 --> 00:01:53,390

continue as the radiation

30

00:01:57,610 --> 00:01:55,280

from the zombie star rains down on

31

00:02:00,340 --> 00:01:57,620

Planet poltergeist as well as her

32

00:02:03,219 --> 00:02:00,350

neighboring dead words of draaga and

33

00:02:06,810 --> 00:02:03,229

forbidden creating sickly irradiated

34

00:02:09,249 --> 00:02:06,820

awards to light up you certain death
