

1

00:00:01,340 --> 00:00:05,800

First Test Drive of NASA's Mars 2020 Rover

2

00:00:07,660 --> 00:00:12,100

Engineers took NASA's next Mars rover for its first spin.

3

00:00:13,100 --> 00:00:18,740

The test took place at NASA's Jet Propulsion Laboratory, where the rover was built.

4

00:00:24,280 --> 00:00:28,960

Other Mars 2020 team members watched from above.

5

00:00:46,980 --> 00:00:50,140

The rover is scheduled to launch in summer 2020

6

00:00:50,140 --> 00:00:52,620

And arrive at Mars on Feb. 18, 2021
