

1
00:00:08,150 --> 00:00:03,270
five four three

2
00:00:10,629 --> 00:00:08,160
two one zero and liftoff of sentinel six

3
00:00:12,390 --> 00:00:10,639
michael freilick continuing a legacy of

4
00:00:13,270 --> 00:00:12,400
ocean observation and international

5
00:00:19,250 --> 00:00:13,280
collaboration

6
00:00:19,260 --> 00:00:23,509
[Music]

7
00:00:23,519 --> 00:00:33,750
m1d propulsion is nominal

8
00:00:37,910 --> 00:00:35,510
a beautiful shot there from the first

9
00:00:39,270 --> 00:00:37,920
stage looking down towards earth

10
00:00:41,190 --> 00:00:39,280
beautiful clear skies there from

11
00:00:42,630 --> 00:00:41,200
vandenberg on the ground able to track

12
00:00:43,510 --> 00:00:42,640
with that rocket as you see it on screen

13
00:00:45,029 --> 00:00:43,520

now

14

00:00:49,040 --> 00:00:45,039

booster separation is there visible on

15

00:00:54,069 --> 00:00:50,709

[Music]

16

00:01:04,149 --> 00:00:54,079

stage started here it comes

17

00:01:07,429 --> 00:01:06,789

the entire world is expecting great

18

00:01:11,030 --> 00:01:07,439

things
