

1
00:00:08,470 --> 00:00:05,430
propulsion

2
00:00:10,790 --> 00:00:08,480
go edlp sleep

3
00:00:13,110 --> 00:00:10,800
we have deemed perseverance ready to

4
00:00:14,870 --> 00:00:13,120
execute entry descent and landing on her

5
00:00:16,950 --> 00:00:14,880
own

6
00:00:19,510 --> 00:00:16,960
confirmation of entry interface

7
00:00:20,710 --> 00:00:19,520
president's is currently going 5.3

8
00:00:23,509 --> 00:00:20,720
kilometers per second

9
00:00:26,470 --> 00:00:23,519
about 120 kilometers from the surface of

10
00:00:30,770 --> 00:00:28,950
it will start controlling its path to

11
00:00:33,270 --> 00:00:30,780
the landing target

12
00:00:35,030 --> 00:00:33,280
[Music]

13
00:00:43,350 --> 00:00:35,040

parachute has deployed and we are seeing

14

00:00:47,430 --> 00:00:45,270

the heat shield has been separated

15

00:00:49,430 --> 00:00:47,440

firsthand now has radar lock on the

16

00:00:54,389 --> 00:00:49,440

ground

17

00:01:01,170 --> 00:00:56,790

skycam maneuver has started about 20

18

00:01:07,750 --> 00:01:03,990

[Music]

19

00:01:11,670 --> 00:01:07,760

tango delta nominal touchdown confirmed

20

00:01:12,630 --> 00:01:11,680

faithfully on the surface ready to begin

21

00:01:25,980 --> 00:01:12,640

taking the sand

22

00:01:28,730 --> 00:01:25,990

of past life

23

00:01:38,830 --> 00:01:28,740

[Applause]

24

00:01:53,590 --> 00:01:38,840

[Music]

25

00:01:56,540 --> 00:01:53,600

[Applause]

26

00:01:57,980 --> 00:01:56,550

[Music]
