

1
00:00:00,080 --> 00:00:03,429
about uh

2
00:00:08,070 --> 00:00:05,749
a minute or so away from flying almost

3
00:00:10,070 --> 00:00:08,080
directly over hurricane dean that is

4
00:00:12,870 --> 00:00:10,080
churning just south of hispaniola

5
00:00:15,270 --> 00:00:12,880
packing winds of 150 miles an hour in a

6
00:00:17,340 --> 00:00:15,280
west northwesterly direction at a speed

7
00:00:23,910 --> 00:00:17,350
of about 17 miles an hour

8
00:00:27,750 --> 00:00:25,830
the latest ground track from the

9
00:00:30,390 --> 00:00:27,760
national hurricane center at 11 a.m

10
00:00:32,549 --> 00:00:30,400
eastern time indicated that dean was

11
00:00:34,709 --> 00:00:32,559
continuing in a forward movement that

12
00:00:39,910 --> 00:00:34,719
would take it across the northern coast

13
00:00:45,190 --> 00:00:42,470

by tuesday morning re-emerge over the

14

00:00:47,270 --> 00:00:45,200

gulf perhaps as a category 5 hurricane

15

00:00:49,190 --> 00:00:47,280

it is fairly enormous

16

00:00:51,189 --> 00:00:49,200

and approaching landfall along

17

00:00:52,310 --> 00:00:51,199

northeastern mexico

18

00:00:59,270 --> 00:00:52,320

sometime

19

00:01:03,830 --> 00:01:01,910

again hurricane dean

20

00:01:06,550 --> 00:01:03,840

a formidable storm

21

00:01:09,270 --> 00:01:06,560

passing through the caribbean just to

22

00:01:10,789 --> 00:01:09,280

the south of the island of hispaniola as

23

00:01:21,750 --> 00:01:10,799

seen from external cameras on the

24

00:01:36,230 --> 00:01:22,350

[Applause]

25

00:01:45,350 --> 00:01:38,069

can you see the eye

26

00:02:01,670 --> 00:01:47,530

yes definitely

27

00:02:05,590 --> 00:02:04,149

okay dude can you reach this you're

28

00:02:13,660 --> 00:02:05,600

right

29

00:02:23,589 --> 00:02:20,830

[Music]

30

00:02:25,950 --> 00:02:23,599

attack all right so i can take the red
