

1
00:00:10,080 --> 00:00:20,950
congratulations

2
00:00:25,509 --> 00:00:23,590
ernie childress from pittsburgh is

3
00:00:27,269 --> 00:00:25,519
asking a question about getting a

4
00:00:29,189 --> 00:00:27,279
haircut says if you want to get a

5
00:00:30,550 --> 00:00:29,199
haircut in space is that possible and

6
00:00:31,830 --> 00:00:30,560
would you let a fellow crew member give

7
00:00:33,910 --> 00:00:31,840
you a trim

8
00:00:35,750 --> 00:00:33,920
well we already did this once

9
00:00:37,670 --> 00:00:35,760
and one of my crewmates is letting it go

10
00:00:38,790 --> 00:00:37,680
wild

11
00:00:46,389 --> 00:00:38,800
and

12
00:00:48,790 --> 00:00:46,399
very successful but what we have up here

13
00:00:51,430 --> 00:00:48,800

basically is a trimmer connected to a

14

00:00:52,790 --> 00:00:51,440

vacuum cleaner so that whatever

15

00:00:54,950 --> 00:00:52,800

would otherwise

16

00:00:57,029 --> 00:00:54,960

fly off gets taken in by the vacuum

17

00:01:00,069 --> 00:00:57,039

cleaner actually try to do it myself

18

00:01:01,110 --> 00:01:00,079

first and and i had marginal success and

19

00:01:03,349 --> 00:01:01,120

then

20

00:01:05,429 --> 00:01:03,359

sergey

21

00:01:07,830 --> 00:01:05,439

helped me clean clean up the mess i was

22

00:01:08,789 --> 00:01:07,840

making and similarly i gave him the

23

00:01:11,270 --> 00:01:08,799

haircut

24

00:01:13,030 --> 00:01:11,280

but there's actually a couple pictures

25

00:01:15,350 --> 00:01:13,040

that you could find

26

00:01:17,670 --> 00:01:15,360

that we sent down of us giving each

27

00:01:19,350 --> 00:01:17,680

other a haircut so

28

00:01:21,270 --> 00:01:19,360

i know

29

00:01:22,630 --> 00:01:21,280

it didn't work out so well but got to do
