00:00:01,000 --> 00:00:03,867

Hi, I'm NASA Astronaut Mark Polansky,

2

00:00:03,867 --> 00:00:08,000

Commander of the next Space Shuttle
Mission to the International Space Station.

3

00:00:08,000 --> 00:00:10,867

I'll be tweeting during my crew's
final weeks of training,

4

00:00:10,867 --> 00:00:13,500

as well as during the mission from space.

5

00:00:13,500 --> 00:00:17,400

I also plan to answer some of
your questions live from space.

6

00:00:17,400 --> 00:00:18,867

To send me a question,

7

00:00:18,867 --> 00:00:21,734

post it in about a 30 second video on YouTube

8

00:00:21,734 --> 00:00:24,467

and then send the link to my Twitter account.

9

00:00:24,467 --> 00:00:28,500

Each week I'll pick a couple of questions
that I'll answer from orbit.

10

00:00:28,500 --> 00:00:32,166

Follow me on Twitter to see
if your question gets picked.

11

00:00:32,166 --> 00:00:34,367

Your questions and my answers from space

12

00:00:34,367 --> 00:00:38,667

will be broadcast nationwide on NASA television
during the mission.

13

00:00:38,667 --> 00:00:40,400

My crew and I are ready to fly
