

1  
00:00:07,749 --> 00:00:05,110  
getting back up to that first step it's

2  
00:00:09,830 --> 00:00:07,759  
not even collapsed too far but it's

3  
00:00:11,509 --> 00:00:09,840  
adequate to get back up

4  
00:00:20,150 --> 00:00:11,519  
right here we got here

5  
00:00:30,390 --> 00:00:21,990  
okay we can see you coming down the

6  
00:00:37,190 --> 00:00:32,950  
okay i just checked uh

7  
00:00:45,190 --> 00:00:41,510  
that hasn't collapsed too far but uh
