

1
00:00:05,349 --> 00:00:03,429
hello commander mark polenski my name is

2
00:00:06,869 --> 00:00:05,359
ricardo i'm from brazil

3
00:00:08,790 --> 00:00:06,879
my question is

4
00:00:11,350 --> 00:00:08,800
how do you feel

5
00:00:13,669 --> 00:00:11,360
being such a selected group you must be

6
00:00:15,749 --> 00:00:13,679
so special so i would like you to

7
00:00:18,150 --> 00:00:15,759
describe how you feel

8
00:00:20,710 --> 00:00:18,160
and how like for the things you you have

9
00:00:22,710 --> 00:00:20,720
done for the things you have seen

10
00:00:24,790 --> 00:00:22,720
and thanks for all the work and

11
00:00:31,029 --> 00:00:24,800
representing us up there

12
00:00:35,270 --> 00:00:33,590
thank you for your question

13
00:00:37,750 --> 00:00:35,280

you know the interesting thing is i

14

00:00:40,310 --> 00:00:37,760

don't think any of us feel that we're

15

00:00:42,310 --> 00:00:40,320

in a selective group but we do realize

16

00:00:45,430 --> 00:00:42,320

that we're all very very lucky and very

17

00:00:47,110 --> 00:00:45,440

fortunate in that we've been able to do

18

00:00:49,510 --> 00:00:47,120

the job that we have

19

00:00:51,510 --> 00:00:49,520

we all understand that unfortunately not

20

00:00:53,830 --> 00:00:51,520

a lot of people get to fly in space and

21

00:00:56,630 --> 00:00:53,840

we do hope that the day comes

22

00:00:58,229 --> 00:00:56,640

and it won't be real real soon but in

23

00:01:00,229 --> 00:00:58,239

the future there will be a day when

24

00:01:02,470 --> 00:01:00,239

traveling in space is hopefully more

25

00:01:04,549 --> 00:01:02,480

routine and everybody can do it and not

26

00:01:06,710 --> 00:01:04,559

just professional astronauts

27

00:01:09,030 --> 00:01:06,720

but we do know that we're lucky to have

28

00:01:10,469 --> 00:01:09,040

this job and that it's a very special

29

00:01:12,950 --> 00:01:10,479

thing that we get to do in a very

30

00:01:15,109 --> 00:01:12,960

special place that we get to visit so we

31

00:01:16,789 --> 00:01:15,119

cherish the moments that we're here even
