

1
00:00:00,640 --> 00:00:19,270

\h (MUSIC)

2
00:00:19,270 --> 00:00:24,850

\h Hello, I'm Jeff Williams, flight engineer on Expedition 21 and commander of Expedition 22...

3
00:00:24,850 --> 00:00:26,950

\h ...on the International Space Station.

4
00:00:26,950 --> 00:00:29,690

\h This is a very unique place to live and work.

5
00:00:29,690 --> 00:00:31,660

\h We're here for months at a time...

6
00:00:31,660 --> 00:00:36,400

\h ...and many of you have questions, I know, about what it is like to live and work here...

7
00:00:36,400 --> 00:00:42,410

\h ...in this very unique orbiting outpost that we call the International Space Station.

8
00:00:42,410 --> 00:00:46,720

\h I'd like you to consider some questions that you might have and submit them via YouTube...

9
00:00:46,720 --> 00:00:49,520

\h ...and I'll try to get to them and answer them in the coming months.
