

1
00:00:05,590 --> 00:00:03,429
tennyson lyman is a nasa co-op not a

2
00:00:07,749 --> 00:00:05,600
food science expert so to help tell his

3
00:00:10,390 --> 00:00:07,759
story we hired nasa space food systems

4
00:00:12,150 --> 00:00:10,400
laboratory expert jennifer brogan

5
00:00:13,669 --> 00:00:12,160
after my freshman year of college i

6
00:00:14,390 --> 00:00:13,679
still didn't know what i wanted to major

7
00:00:16,390 --> 00:00:14,400
in

8
00:00:18,630 --> 00:00:16,400
thankfully nasa gave me the chance of a

9
00:00:20,470 --> 00:00:18,640
lifetime to become a co-op student time

10
00:00:22,870 --> 00:00:20,480
to replace that dehydrated mystery meat

11
00:00:24,470 --> 00:00:22,880
with some real food

12
00:00:26,070 --> 00:00:24,480
being able to talk to all kinds of

13
00:00:27,189 --> 00:00:26,080

people with all kinds of degrees is just

14

00:00:28,870 --> 00:00:27,199

what i needed

15

00:00:30,550 --> 00:00:28,880

i never imagined i'd be able to seek

16

00:00:32,549 --> 00:00:30,560

guidance from nasa employees pursuing

17

00:00:34,389 --> 00:00:32,559

their dreams we like to give our crew

18

00:00:36,870 --> 00:00:34,399

lots of options

19

00:00:39,430 --> 00:00:36,880

meatloaf grilled pork chop

20

00:00:41,350 --> 00:00:39,440

peanut butter cheddar cheese not only do

21

00:00:42,869 --> 00:00:41,360

i have a future job opportunity with an

22

00:00:44,950 --> 00:00:42,879

inspiring agency

23

00:00:46,950 --> 00:00:44,960

i can return to my university confident

24

00:00:49,270 --> 00:00:46,960

that the degree choice i made is the

25

00:00:52,709 --> 00:00:49,280

right one candy-coated chocolates

26

00:00:54,069 --> 00:00:52,719

tortillas cinnamon scones just imagine

27

00:00:57,029 --> 00:00:54,079

all the new ways that you can play with
