arriving

31

00:02:02,630 --> 00:02:00,389

and for almost all of us on board

32

00:02:04,789 --> 00:02:02,640

atlantis we've been here before but it's

33

00:02:06,709 --> 00:02:04,799

bigger than we remember and

34

00:02:14,710 --> 00:02:06,719

speaking for myself better than i

35

00:02:17,830 --> 00:02:16,229

whoa

36

00:02:18,630 --> 00:02:17,840

that's cool

37

00:02:20,869 --> 00:02:18,640

yeah

38

00:02:24,229 --> 00:02:20,879

that's the bottom of south america

39

00:02:27,990 --> 00:02:26,630

so i have the boom you have the boom

40

00:02:34,869 --> 00:02:28,000

boom boom

41

00:03:28,070 --> 00:02:37,110

okay

42

00:03:28,080 --> 00:03:40,149

capture

43

00:03:44,149 --> 00:03:42,390

we uh looked like a pretty good docking

44

00:04:14,710 --> 00:03:44,159

we never got contact one straight down

45

00:04:14,720 --> 00:04:21,990

batteries moving in

46

00:04:26,469 --> 00:04:23,830

great job that does it

47

00:04:28,790 --> 00:04:26,479

skin is on firmly

48

00:04:32,870 --> 00:04:28,800

serious heroes to both those guys four

49

00:04:36,790 --> 00:04:34,469

i think through our entire dock time

50

00:04:38,629 --> 00:04:36,800

frame here we were a 12-person crew that

51

00:04:40,790 --> 00:04:38,639

operated together

52

00:04:43,270 --> 00:04:40,800

but this one is to

53

00:04:44,230 --> 00:04:43,280

friends we're gonna leave behind

54

00:04:45,909 --> 00:04:44,240

and

55

00:04:47,749 --> 00:04:45,919

new friends that we've made close

56

00:04:49,590 --> 00:04:47,759

friends my friend

57

00:04:51,430 --> 00:04:49,600

we've had a great time together

58

00:04:53,189 --> 00:04:51,440

we're gonna close the hat shortly and

59

00:04:54,950 --> 00:04:53,199

we're gonna depart and of course as

60

00:04:56,469 --> 00:04:54,960

always it'll be a little bit sad but
