

1
00:00:00,116 --> 00:00:03,596
Bob Ley/ESPN: We'll come back
down to Earth in a second.

2
00:00:03,596 --> 00:00:04,916
But let's go back to the stars Bob.

3
00:00:04,916 --> 00:00:06,956
We have communication with outer space!

4
00:00:06,956 --> 00:00:11,166
We believe we have established communication
with the International Space Station.

5
00:00:11,166 --> 00:00:13,426
Tracy Caldwell Dyson a member
of the three-member crew.

6
00:00:13,426 --> 00:00:16,136
Tracy, it's Bob Ley here,
planet Earth in Johannesburg.

7
00:00:16,136 --> 00:00:18,156
Tracy do you have me?

8
00:00:18,156 --> 00:00:20,336
Tracy: I sure do Bob.

9
00:00:20,556 --> 00:00:21,326
Nice talking to you.

10
00:00:22,876 --> 00:00:27,196
Bob Ley/ESPN: Describe the
sense of anticipation.

11
00:00:27,196 --> 00:00:29,686
The biggest sporting event on
this planet happening down here.

12
00:00:29,816 --> 00:00:33,986
You three have the most unique perspective
right now...you and your two Russian colleagues.

13
00:00:34,316 --> 00:00:37,306
Your matched, fit and ready to go.

14
00:00:37,306 --> 00:00:40,796
I'd like to see what you can
do with those soccer balls.

15
00:00:45,556 --> 00:00:48,606
Tracy: Well, I'm not much of a soccer player.

16
00:00:48,606 --> 00:00:55,096
But we do have a captain of the soccer
team in Star City, Russia onboard with us.

17
00:00:55,096 --> 00:01:01,266
We can see the great country that the
sport is being celebrated and played in.

18
00:01:01,606 --> 00:01:06,676
I think that there is a few that would like
to be able to see the games in person up here.

19
00:01:06,966 --> 00:01:13,536
Bob Ley/ESPN: We understand you're getting
three more crew members in several days.

20
00:01:13,536 --> 00:01:16,346
Will the soccer talk pick up as the Russians

21
00:01:16,346 --> 00:01:19,636
and the Americans begin to
talk about world football?

22
00:01:23,316 --> 00:01:28,976
Tracy: Well, we get together every

evening for dinner and sit around the TV

23

00:01:29,446 --> 00:01:35,006

and either watch the news or some other fantastic thing that we get uplinked.

24

00:01:35,006 --> 00:01:40,556

I bet you there will be some cheering around the table as we get World Cup Soccer sent up to us.

25

00:01:41,386 --> 00:01:48,006

Bob Ley/ESPN: If the tickets are nearly gone here on planet Earth, you have the best seat

26

00:01:48,006 --> 00:01:51,706

in the house from 200 statute miles in orbit above the planet.

27

00:01:51,896 --> 00:01:54,486

Godspeed on your return when it's your to turn to come back to Earth
